DIRECTORY AND ADS

We dedicate this annual to one who gives graciously of his time, interest, and ability to the college, the students, and the community. His service to the college is never ending; and his ability to help others without recognition helps to keep the many worlds of Davidson County Community College turning.

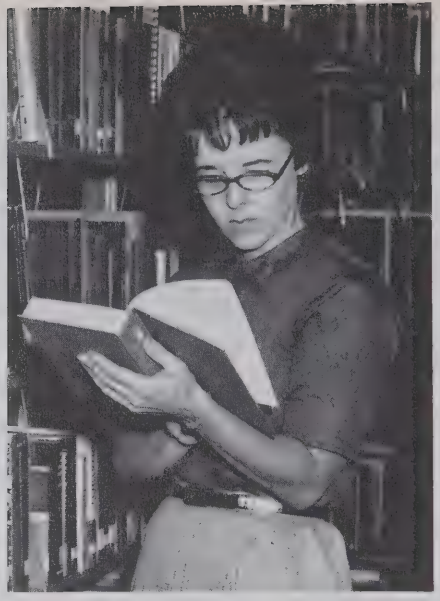
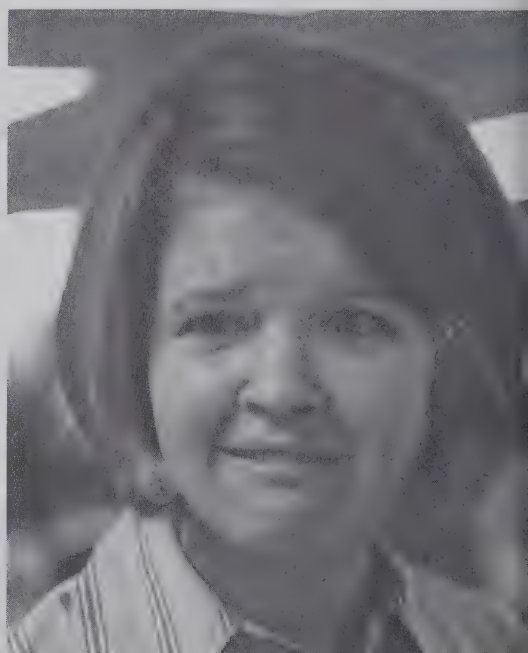
"The white hot passion of his screaming flesh drove him beyond unbearable restraints . . . then he threw her to the ground . . ."



". . . then he threw her to the ground."

Dig this redneck with the hippy sideburns!!

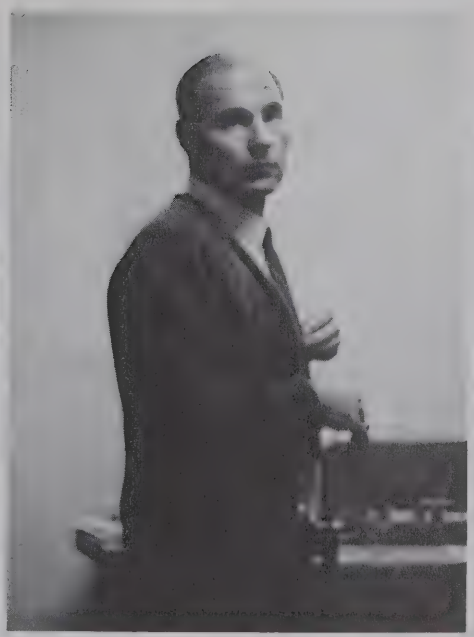
Next.



"and then he threw her to the ground . . ."

¿Qué pasa?

Shut up dear, it's free ain't it!!!



Maybe I should start trying some Corn Husker's lotion.

I'm gonna put a tree and some flowers . . . and a sun . . .

Want ta buy some dope little girl . . .

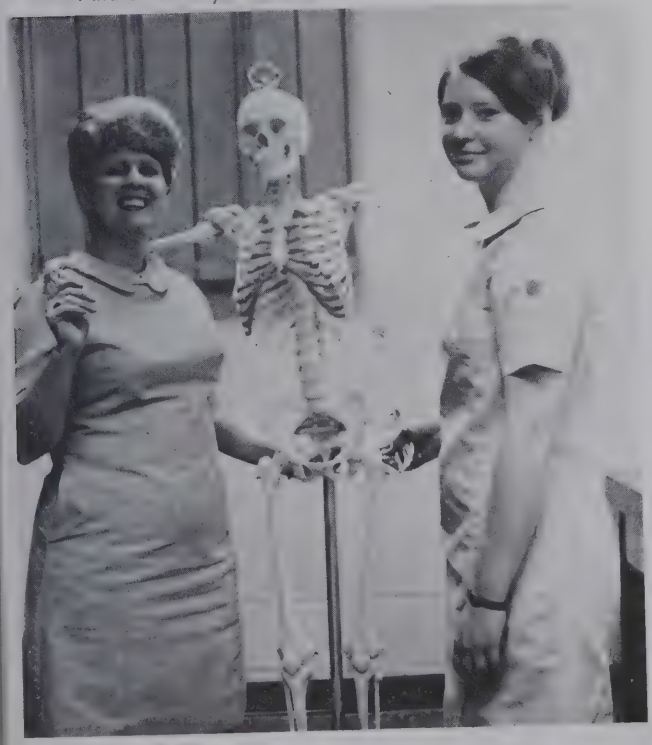
"then he threw her to the ground . . ."

Now class, our next species in the plant kingdom is myxamyca . . . ca . . . ca . . .!

". . . then he threw her to the ground . . ."

I'm not anybody's fool, I happen to be a high school graduate.

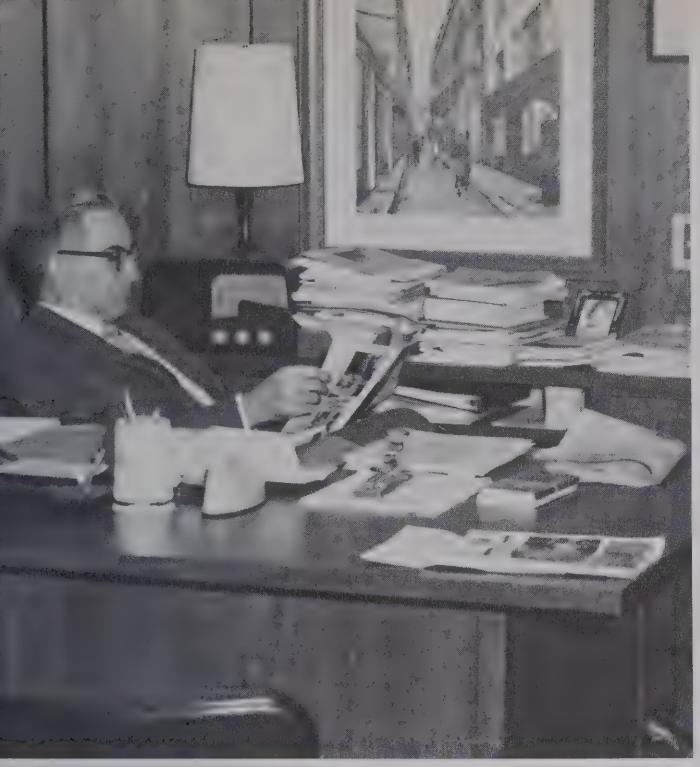
And after only six weeks of our miracle diet . . .



Biology 107. Sex Education.

I wonder if my husband will like me in hot pants.

"... then he threw her to the ground ..."



"... and then he threw her to the ground ..."

The living end.

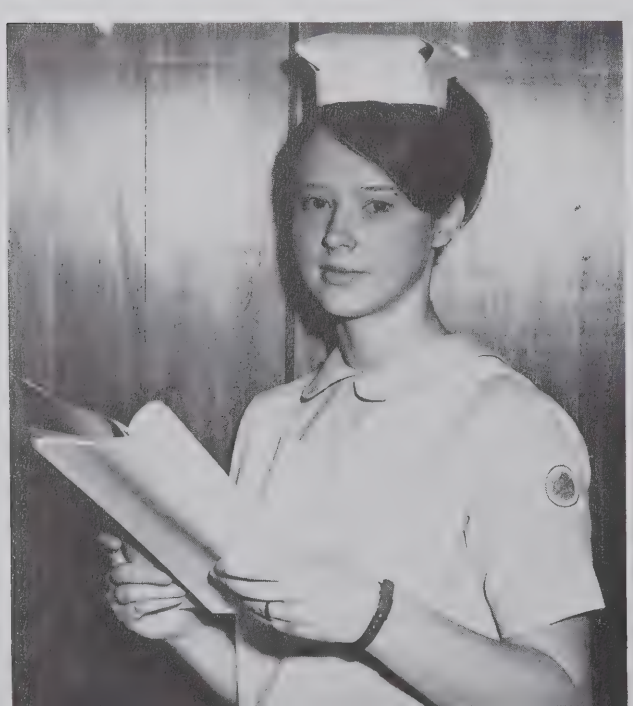
A Season For All Sports

CLUBS

The college encourages student participation in all activities of student and campus affairs. Although student activities are viewed as secondary to the central purpose of academic preparation, they are nevertheless an important phase of student growth and development.

The Nightingale Club

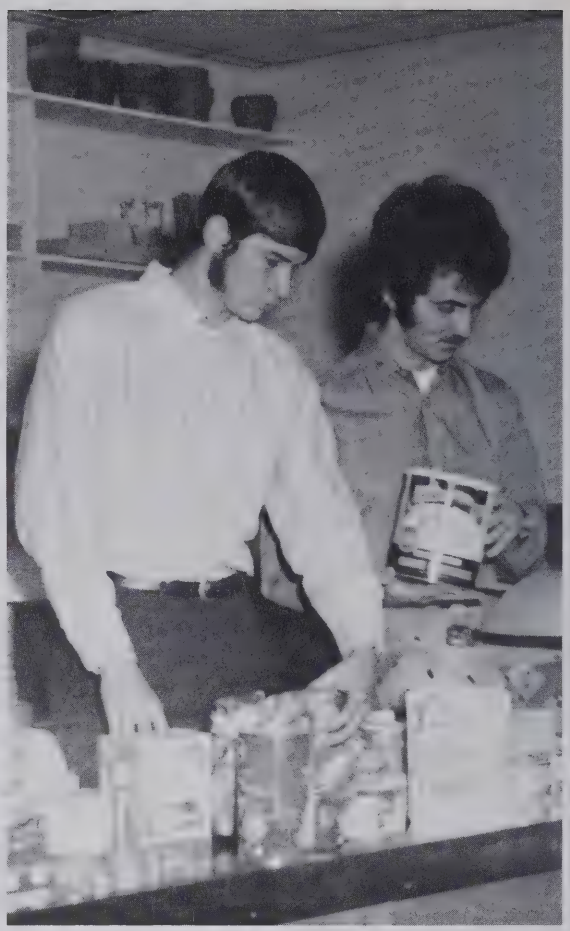
This is a new program that was added at DCCC this year. There are twenty-five women that entered the College in the Associate Degree Program, coordinated by Miss Juanita Yarborough and faculty Mrs. Betsy Payne (pictured below) and Mrs. Carlotta Nance. The two year nursing program is accredited by the North Carolina Board of Nursing. Earlier, in the Fall quarter officers for the Nursing class were chosen. They are: Miss Rita Bentley, President; Miss Joanna Pearson, Vice-President; Miss Beverly Smith, Treasurer; and Mrs. Myrna Norwood, Secretary. Mrs. Jerry Owens is the Student Senator from the class. Mrs. Cathy Ward, pictured below was elected by the student nurses as DCCC Student Nurse of the Year.



The clinical experiences are obtained in the hospitals of Lexington, Randolph, Thomasville, and Salisbury. Above is one of the many informal classes they have in the hospital. Below, Mrs. Nance illustrates to some of the students the proper way to bind a patient's arm. The students learn a lot by practicing on each other in order to improve their technique.

Circle K Club

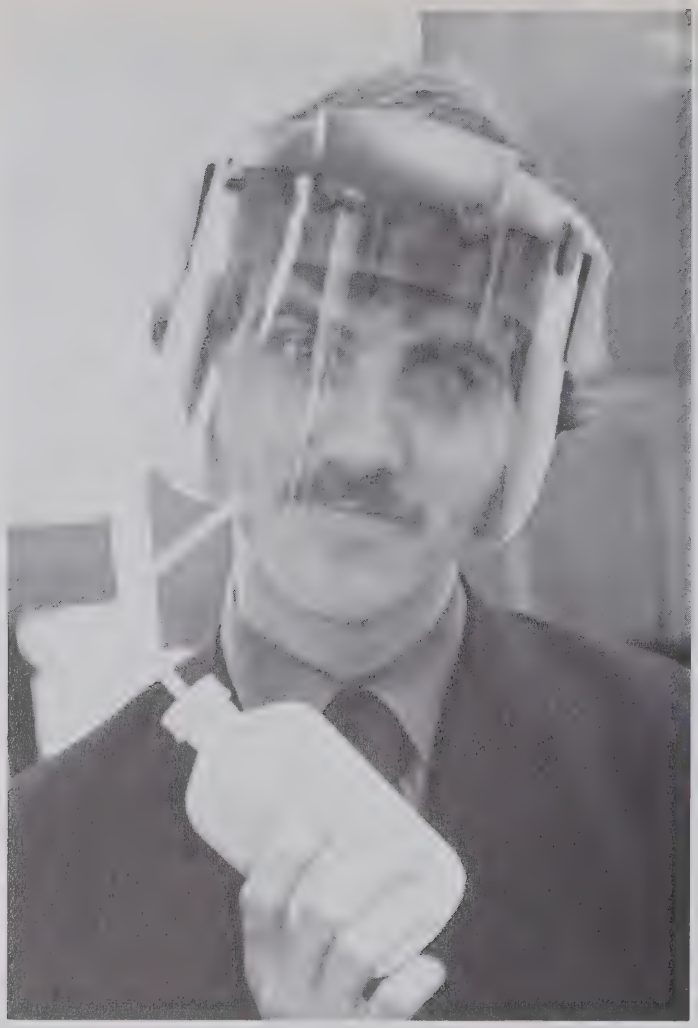
This is a most active service club that is not merely an organization but a driving force, developing leadership for tomorrow while creating a better community today. Pictured are: President Kurt Bjorling; Henry Howerton, Vice-President; Danny Tuttle, Secretary; Lea Byerly, Treasurer. Wayne Black, Gwen Goodman, Jim Hales, Reece Beane, Charles Frasco, Bill Hardin, Rober Sams, Richard Tipton, Kurt Snow, Harry Davis, Rick Rodgers, and Dewey Brantley. Mr. James, advisor not pictured. Pictured here are just two different occasions of which they have helped needy families in the community.



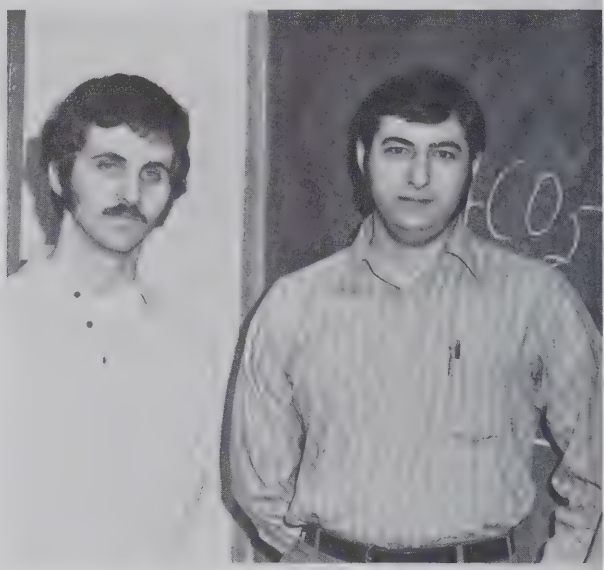
Lambda Alpha Epsilon

This is a national organization open to students enrolled in Police Science and Criminology education. The fraternity is dedicated to the advancing of professional standards of law enforcement, the fostering of fraternal assistance and the understanding between members of the profession, and the promoting of greater public understanding of the problems of criminal justice. Pictured above are members: Jim Gilemore, Roger Beck, Joe Styers, Steve Murdock, President; Darlene Patterson, Secretary; Alice Reid, Earl Clopton; Donna Reid, Jesse Williams, Treasurer. Faculty advisors: Mr. James Merritt and Mr. Mike Seuberling.

Science



The primary aim of the Science Seminar is to give science-minded students a chance to become involved in non-curricula related areas of science dealing with modern scientific problems. The club is now open to any members of the college, making the college and the community aware of the modern breakthroughs in science by way of pro-



Seminar

grams and projects. Officers pictured below: Bill Hardin, President; Bill Lyon, Vice-President; Jenny Smith, Secretary; Rick Frasco, Treasurer. Members: Tom Illman, Darrell Shaw, Becky Wagoner, Dewey Brantley, Harry Sanders, Lea Byerly, Gary Scarborough, Wayne Black, Bruce Gilliam.

College Chorus

The chorus draws its membership from students with vocal talent. Everyone always has such fun.

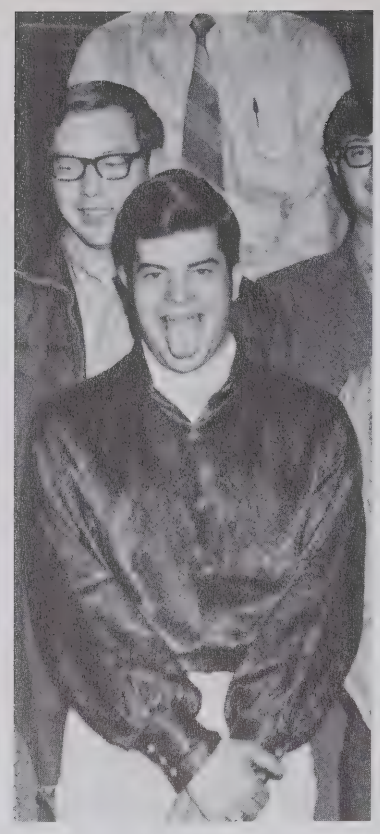
Mr. Carter is always a barrel of laughs. He's such a cut-up!

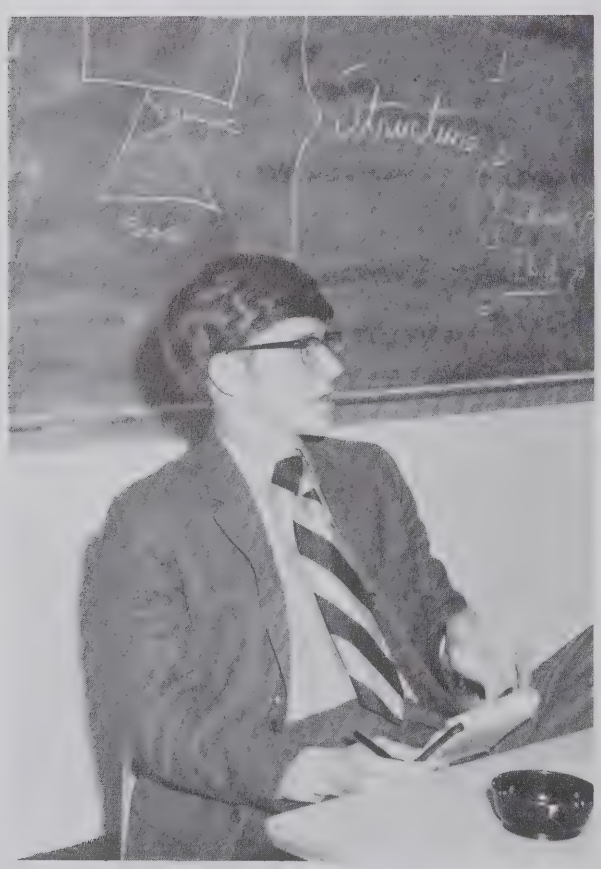
The chorus gives concerts throughout the year. Everyone smile now!

Society For Engineering Technologies

Pictured are: Mrs. O'Brien, Advisor; Dan Koontz, President; Lloyd Hancock, Vice-President; Steve Crotts, Treasurer; Charles Hamlin, SET representative to SGA; Keith Short, Secretary; and Mr. Johnson, Co-Advisor.

The purpose of this organization is to stimulate interest in the area of Engineering Technology by encouraging the professional development of Mechanical and Electrical technicians and Draftsmen to their job requirements, to further social development, to strengthen inter-personal relationships, to provide service to the College and surrounding community and stimulate interest in the Student Government Association. Below are pictured the members while at a trip in Alemson.





Freshman Advisory Council

The twenty-five members of the Freshman Advisory Council have actively worked to present a new outlook this year. Its members consist of outstanding upper-classmen nominated by the Sophomore Class Officers and approved by the Dean of Student Affairs on the basis of character, citizenship, and scholarship. One of the major objectives this year has been to overcome lingering problems of college life; therefore, several programs have been organized. For the first time a special orientation was established to assist new students that are entering in the winter and spring quarters. In the spring a College Placement Program was held to benefit not only the students transferring to a four year institution, but also those students seeking employment. Consequently, the major purpose of the F.A.C. has been not only to help students adapt to the changing college atmosphere, but also to help the student better himself in his particular field of education.

Officers of the Freshman Advisory Council are: Reece Beane, President; Brian Pugh, Vice-President; Nancy Drye, Secretary; Jesse Williams, Treasurer. **Members pictured below in addition to the officers are:** Robert Miller, Mike Swink, Judiath Walker, Bill Harden, Bill Joyner, Wayne Black, Kirk Bjorling, Shirley Pillips. **Members not pictured:** Tony Beck, Sue Chambers, Jimmy Craven, H. M. Daniels, Wanda Hairgrove, Lloyd Hancock, Carolyn Hill, Dan Koonts, Don Rabon, Keith Short, Charles Stites, Jerry Staker, Mr. Herman Roach, advisor.

Phi Theta Kappa

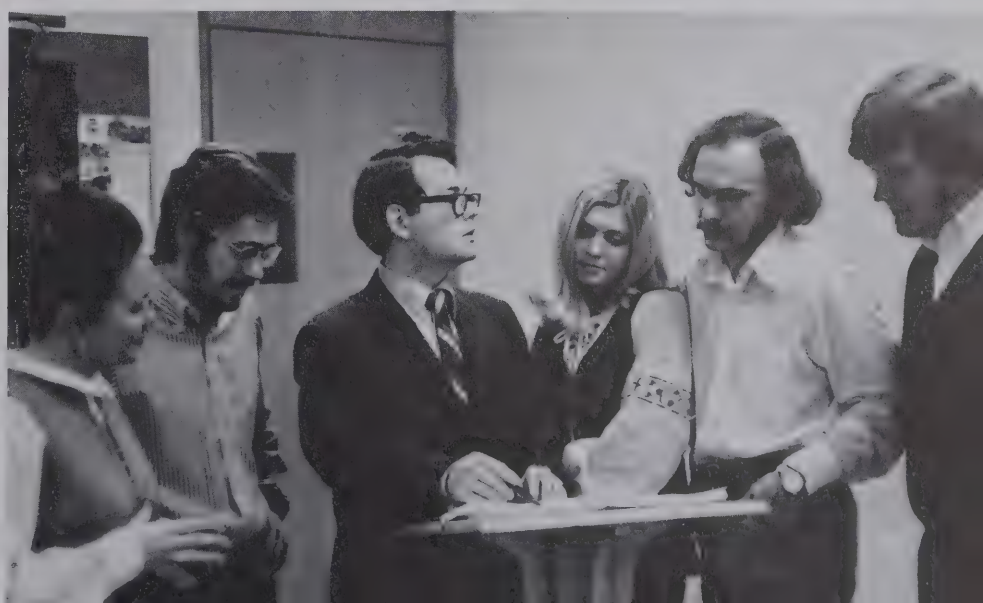
TAU BETA CHAPTER

Phi Theta Kappa is the most renowned national honorary scholastic society for college transfer students in junior colleges. Less than ten per cent of the students in the nation's junior colleges receive this honor each year. Initiations of members and installations of officers are conducted at a special honorary dinner in the late spring of each academic year. Pictured above are members at initiation dinner at Claude's Restaurant in 1970. Below are Barbara Cambell, outgoing President; Wanda G. Hairgrove, 1970-71 President; Francis Wall, Vice-President; Mary Barham, Secretary; and Jason Morgan, as Treasurer. Mr. Oakley was their advisor.

Drama Club

James Palmer and Susan Pollard illustrate to the class good use of dramatic expression. Other members include: Nordon Fairley, David Green, Mary Jo Peeler, Libby Kesler, Eddie Crabtree, Tony Hartley, Jim Pulumbo, Terri Gundy, Ken Kenedy, Carolyn Mickey, Debby Craver, Brien Smith, Mike Easter, Ralph Proto. **Not pictured:** Dwight Leonard.

Advisors Mr. Carr and Mrs. Burkhart spend much time guiding the club. **Officers pictured are:** Brian Smith, President; Tony Hartley, Vice-President; Debby Craver, Secretary; and Eddie Crabtree, Treasurer. Officers work diligently planning for their production in the spring.



The Cavalier Club

Two people that have put a lot of work into our annual: Linda Gail Hardwick, Editor and Wayne Whitworth, President and Business Manager.

One of our crazy photographers!

A lot of work, planning and long hours were put into this annual. Mr. Ed Hill was our advisor. The officers of the Cavalier Club were Wayne Whitworth, President; Sarah Merrell, Vice President; and Assistant Editor; Sue Elliott, Secretary-Treasurer, and Linda Hardwick was Editor. Members that helped make the annual possible were: Ann Beck, Gwen Goodman and Bob Frazier as photographers, Ralph Proto, Mike Craver, Mike Swink, and Denise Lackey who was not pictured here.

Our Good Ol' Sophomore Class

Finally they've made it so they can graduate. Years from now, they'll look back and remember the good ol' times.

Sophomore class officers: H. M. Daniels, President; Nancy Drye, Secretary; and Jesse Williams, Treasurer. **Pictured at left.**

All full-time students are automatically members and receive practical experience in responsible citizenship through participation in a program of self-government. Officers pictured are: l-r: Wayne Black, Treasurer; Mary Beth Koontz, Secretary; Charles Stites, President; Robert Miller, Vice-President; and Becky Wagoner, Secretary.

Student Government Association

Members of the SGA include the Class officers and the Senators. Senators include Adrian Lawrence, Bill Lyon, Sarah Merrell, Jill Steed, James Earnhardt, Jerry Owens, Frank Pierce, Jerry Smith, Joseph Trexler, Perry Floyd, Donald Hudson, James Hales, Kurt Bjorling, William Hardin, Lonnie Crabb, Charles Hamlin, Judiath Walker, Reece Beane, Sandra Ward, Harold McClelan. **Not pictured:** Dr. Bright, Advisor.

Chess Society

Above: Mr. Stutts challenges Bill Hardin to a game.

The Commuter Staff

This year the Commuter has had its share of problems of having people help write articles in the paper. We all think they have done a pretty good job with only about four people working on it. This year's editor was Kathy Ingram; Don Rabon, Co-editor; and the staff consisted of Bill Ayers, and Bill Harden, and a few people in the Journalism Class.

SOPHOMORE CLASS

Wisdom thoroughly
learned will never
be forgotten.

Sophomore Class Officers

Left to right: Hulmes M. Daniel, president; Nancy C. Drye, secretary-treasurer; Jesse B. Williams, vice-president.

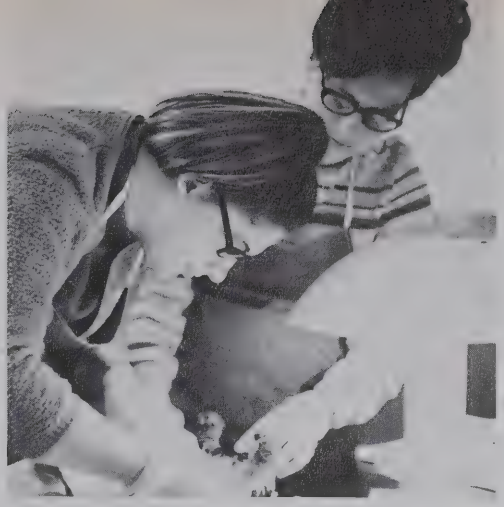
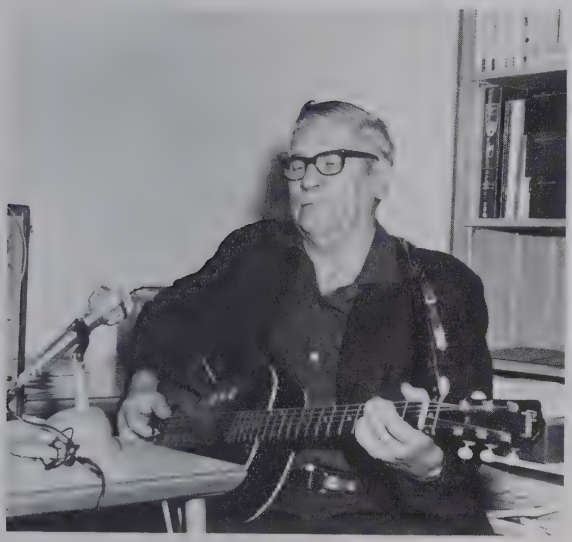
y the time I get to WOODSTOCK . . .



Two hamburgers, one cheeseburger, coming up!

You put your right foot first . . .



And now folks for my next HARD ROCK ACID selection . . .

Damn medical research! I ain't taking my clothes off for nobody!!

The expanding co-educational facilities.

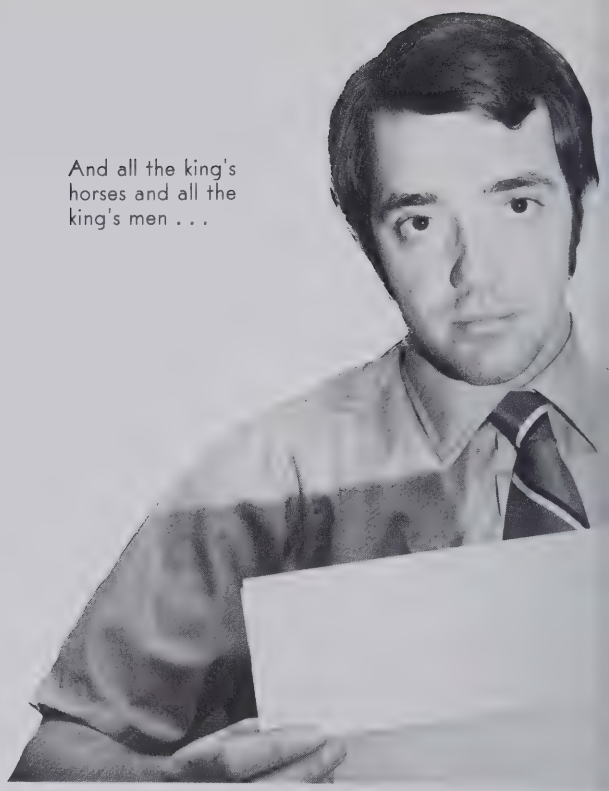
Adul

an area that offers
training, development,

Education . . .

and personal enrichment
courses for adults of
all ages.

And I told the animal if he touched me one more time . . .

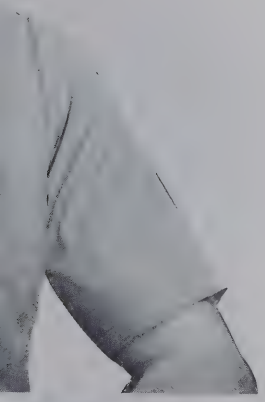


And all the king's horses and all the king's men . . .

And the little lady gets sociology!!

Tsk, tsk, tsk, Mrs. O'Brian caught in the act, again.

"Here you go, Sis . . ."



Our ample parking facilities.
